Coronavirus Update

Date – 10th February 2020

INDIA

The Wuhan coronavirus has spread throughout the world since the first cases were detected in central China in last December.

As a precautionary measure, Indian Government has issued a travel advisory in wake of novel Coronavirus outbreak wherein visa (including e-visa / existing issued visas) are no longer valid for any foreign national travelling from China.

Passengers landing in India will undergo thermal screening at all major international airports in India, including those in Delhi, Mumbai, Kolkata, Chennai, Bengaluru, Hyderabad, and Cochin.

Our all clients in India are following their scheduled & planned itineraries. The situation is under control in India and clients are travelling stress-free & continuing with their planned itineraries.

We continue to monitor the situation and will update you as and when required.
