|--------------|------------------|---------------|
| 1,26,789 | 66,846 | 685 |

Overall Data (Updated on 8th April)

| Total Cases | Infected | Recovered | Deaths |
|--------------------|-----------------|------------------|---------------|
| 1,29,28,574 | 9,10,319 | 1,18,51,393 | 1,66,862 |

India launched its vaccination drive in January and so-far more than 90 Million beneficiaries have been vaccinated for COVID-19. India is increasing its production to cater both domestic and International demand.

The Indian government has extended the ban on international commercial flights till 30 April. Dedicated cargo flights and flights under the bilateral air bubble pacts with about 27 countries will continue to operate.

Tourism ministry is actively considering opening up of the VISA's to all foreign nationals to visit India which will be subject to strict health & safety protocols and COVID -19 tests prior to leaving their country and upon arrival in India.

Will keep you updated on the same. For the latest updates you may visit <https://www.mygov.in/covid-19>
