ONCE IN NEPAL

UPON ARRIVAL. RAPID ANTIGEN TEST AT PORT OF ENTRY OR AT THE HOTEL

IMPORTANT: LOCAL DESTINATIONS may have THEIR OWN entry protocols. Check with your agent or read up before you go into the destinations. They are not restrictive, but best to be updated.

IF YOU DEVELOP SYMPTOMS

Get yourself tested, self isolate, or avail medical treatment
important: Check that your travel insurance covers COVID-19 related rescue and treatment. All rescue and treatment has to be paid yourself.

Start planning your Lifetime Experience in Nepal!

As our guest, you have a role to play. Please respect local guidelines, travel considerately and responsibly, stay flexible to changing scenarios and help tourism revive.
