

Coronavirus Update

Date – 26th June 2020

NEPAL

Nepal has also begun to re-open its economy in a phased manner after nearly two months of lockdown. The coronavirus case count in Nepal now stands at 11,162 cases, with 2650 recovered according to latest health ministry figures. 26 people have died due to the virus. The Government has begun opening of economies in a phase-wise manner, allowing most of the economic activities to operate by following certain health protocol including social distancing measures. Both domestic and international flights are suspended so far and Government plans to resume the flight's operations from 01st August 2020 depending upon assessment of the situation.

Meanwhile Nepal Tourism has launched “Covid-19 Safety and Hygiene Protocol for Tourism Industry” and the same can be shared on request.

We continue to monitor the situation and will update you as and when required. For the latest updates you may visit <https://covid19.ndrrma.gov.np>
