Coronavirus Update

Date – 21ˢᵗ August 2020

SRI LANKA

The coronavirus case count in Sri Lanka now stands at 2918 cases, with 2789 recovered according to latest health ministry figures. 11 deaths are reported due to the virus.

The International airport, which authorities had planned to reopen on August 1, has been remain closed to tourists until further notice.

World Travel and Tourism Council's (WTTC) has recognized the safety protocols introduced by the Sri Lanka government and has also awarded with it's Safe Travels stamp. The Safe Travels stamp allows travelers to identify destinations which have adopted the global standardized health and hygiene protocols.
